8. How to request access to records

You can request access to records by completing Form 1. If your request does not comply with the formalities in this manual, we will let you know which steps you should take to comply. If you are making a request on behalf of someone else, you must submit reasonable proof of authority.

You must provide us with proof of identity before we can process any request.

9. Outcome of your request and fees payable

We will decide within 30 days of receiving your request whether to grant or decline the request. We will notify you of our decision and explain why we accepted or refused your request.

If your request is successful, we will let you know what the related fees are and how you can pay them. We may require that you pay a deposit before we process your request. The fee structure is available on the SAHRC website at www.sahrc.org.za

If you request large quantities of information or if we cannot reasonably obtain the information you request within the original 30 days, we might have to extend the period by another 30 days. We will notify you in writing if we require an extension.

If you do not hear from us within the period stipulated above, it means that we refused your request in terms of section 58 of PAIA.

10. Reasons why we may refuse your request

The SAHRC's guide to understanding PAIA sets out all the reasons why an entity may or must refuse a PAIA request. These reasons include refusal based on the grounds that the information requested will:

- compromise South Africa's defence, security and international relations;
- hamper the operations of **CBI-electric: African Cables**.
- be unreasonably time consuming and lead to waste of resources, or
- is manifestly frivolous or vexatious.

11. If we cannot find a record

If there are records that we cannot find despite a reasonable and diligent search, we will notify you with an affidavit explaining the measures we have taken to locate the record. If we find the records after we have issued such an affidavit, we will grant you access to the records unless we have a reason to refuse your request.

12. If you need assistance or more information

If you require further assistance, The South African Human Rights Commission (SAHRC) has published a guide that introduces PAIA, describes where to find information and how to request access to information. It explains when access to information may be refused and offers key references and resources. The guide is available in each official language and is intended to assist you in exercising your rights to access information.

You can find this guide at the head office of the SAHRC:

27 Stiemens Street

Braamfontein

Johannesburg

2001

Alternatively, you can find it at all the provincial offices and on the SAHRC website at: www.sahrc.org.za

A copy of the guide is also available in each official language on our website <https://www.africancables.com> or you can inspect a copy of the guide at our offices during regular business hours.
